II!ll always remember you as a great classmate and. Friend and colleague. You!re smile and attitude were so infectitious.Rest in peace dear friend. Alfred Namba

- Alfred H Namba, MD

Elinor and family, Ken is one of the kindest, gentlest friends we've had. From our days playing football and baseball at the "U" to missions, military service, family rearing, and health monitoring we enjoyed a sweet and lasting friendship. What a wonderful, noble, Christian man!. We send our love and condolences and wish you comfort and sweet remembrances of Ken.
