Dear Doug and Carol, Becky, and Teresa and family, We are so sorry. We send our sympathy to you in love as we know how much you all love and miss Valerie. As we think of her we think of her wonderful smile, her love for her family, and her fearlessness in touring Europe on her own, as well as many other inspiring examples she set in life. As we prayed for her, I was comforted with the thoughts that her grandparents were close by. I pray now that she will continue to be a comforting and inspirational influence in the live of those who knew her.

We've Known Valerie since she was 5 years old. Our kids grew up with her and her sisters, and were happy friends. We are heartbroken for her parents and her family. She will be a sweet addition to heaven. Prayers for comfort and solace for you Carol, Doug, Teresa and Becky.

family, I am so very sorry. I know this is a hard time. Eventually peace will follow . For now Allow yourself grief

I'm so sorry to hear that Valerie passed on. I was a very good friend of valeries awhile back. We had to go our ways a few years ago, but to see that she's passed on has brought me back to those days we used to hang out. I've thought about her this past week and I'm sad. I wish for the best for u and her family.

I only knew you for a few short months when we worked together at ACS. You were nice, kind, patient, and funny. You sure made that place a lot more bearable. I wish we hadn't lost touch when I moved. I've been thinking I should look you up on Facebook, but wasn't sure if we could connect again like we had, since my life changed so dramatically for the worse after leaving ACS. Always listen to those still small voices. I'm glad I was able to know you, if even for such a short while. Rest in peace my friend.

I am still in disbelief Valerie is gone. I saw her last over 2 years ago. We were friends in grade school going back to the 6th grade up through high school in Glen Burnie, MD. The last few years we had been regular Facebook pals chatting directly and also on each other's Instagram ages. I always liked checking in on her to make sure she was ok and finding out what she was up to. I loved hearing her stories of the crazy customers at Sundance. I told her I would just bug out and hate on her if she was blessed to ever meet Robert Redford (LOL). I truly treasure and appreciate even now that photo taken of us two at TGIFridays. :>'( May she rest in peace.

I'm so sad to hear of Valerie's passing. She really was a light in this world. She just brightened everything. I'll forever remember the dance that Becky, Valerie and I did for that ward roadshow. I'm sending my love and prayers to all of your family.

Valerie was a steadfast friend, a fabulous co worker. She and I talked at work and I remember once saying that's a cool shirt. " Got it in Japan", She was just unassuming and not fake. She loved her cat and her family. She was a bubbly person and I will truly miss her. Jami @ Sumdance

I'm so sorry for your loss. I had the pleasure of working with Valerie at C3. I enjoyed seeing the pictures she'd taken. I'm sorry to say I didn't get to know her as well as I'd like, but I do count her as a friend. Your family has been in my prayers. I really don't know what else to say. God bless you.
