Mick my heart aches for you and the family on the passing of your mom. So many great times we had on our bowling leagues and working with her. We had a lot of laughs. I still remember singing Happy Birthday to her at work as Elvis. She will be missed. I hope you and the family can find peace and comfort at this very difficult time in the memories and times shared with her. She was a great lady. Love you my brother! May God Bless you and the family.

Val - You were an amazing lady, who always found a way to make us laugh. Watching you and Marsha together was like watching Laverne and Shirley on steroids (The Vodka Twins:)! You touched so many lives in such a special way, and you are going to be dearly missed. I was so grateful when you came to Idaho with the family for Dave's funeral, it really made me feel special! Thank you so much. I hope that you are together with your family that went before you, and all you pups in Heaven - reminiscing with loads of hugs and kisses (and Vodka). Our loss here on Earth - is a Blessing to the Angels and Lord Almighty in Heaven. I send my regards to the family, and many friends that you have left behind, as I am sure there is a hole blowing through their hearts as they mourn for your loss. You will always be remembered and cherished. I leave them with an encouraging verse from the Bible - II Corinthians 5:6-8 : (6) So we are always confident, knowing that while we are at home in the body, we are absent from the Lord. (7) For we walk by faith, not by sight. (8) We are confident, yes, well pleased rather - to be absent from the body and to be present with the Lord. Thanks for blessing my life with your smile and laughter - may you rest in peace Ms. Val. God bless!
