

Van F. Dunn, Jr.

March 20, 1933 ~ April 11, 2023

President Dunn was my mission President. He lived a long and full life and I'm glad I knew him for a small part of it.

- Gabrielle McManus (Sister Connolly)

Van was a delightful friend and colleague as we shared a common office for several years when we opened a branch for Kidder Peabody & Co. together. He always demonstrated professional conduct towards his clients and took as much time as possible to be with his family and with Jan that he adored.

- Fred Moreton

My Dad, Cloyd Goates, enjoyed working with Van at Merrill Lynch. He had a lot of respect for Dan and I still remember the day Van came to our home to visit. I am so sorry for your loss. May your happy memories bring you comfort during this time of grief.

- Carolyn Goates Campbell

Thomas, I stumbled on to this posting while trying to track you down. Although I never knew your father I feel I got to know him a little through your talk and the rest of the service. I can tell you're a "chip off the block" and value even more the month of June we spent together in 1981 as mission companions. If you get this message and would like to reach out to me here's my contact info.: RussellNielson@hotmail.com
