I love venus, when I moved here she was the one that made me feel welcome.

Our family loves Venice for her Christlike service to others. She is a true friend to everyone she meets. Our family sends our condolences to the family. May God bless you with peace and comfort.

What a sweet, Christlike individual she is and was. Great human being. Venice was a very talented and giving person. Her eyes lit up when she smiled which made everyone feel warm. What a blessing for her to be with her husband she lost many years ago. She will truly be missed. She’s with great company. I’m jealous. Love her and I’m so sorry for the pain the family has to endure while they are apart from her. Hugs and prayers for you all.

To the family of Venice So sorry to read that Venice passed. You have our deepest sympathy. She and Glen were so accommodating to my brother Ken and I when we were in Salt Lake City doing family research. We later visited the homestead sites in Montana where our relatives homesteaded. If I remember right it was Doug who then visited there. Venice will be remembered by the lives she touched along the journey of life.
