So Sorry to read of the passing of your mother. She was such a super Lady who showed kindness and friendship whenever we had the opportunity of associating with her and your family. She will be surely missed by all who had the opportunity to meet her. May the Lord bless your family.

I'm going to miss Aunt Venned. She was so sweet and always made me feel special and welcome in her home. I remember being included in family get-togethers when I was younger, and thinking how lucky you all were being part of such a big family. I especially remember Aunt Venned's home made ice cream! It seemed to be present at every event, and was so yummy! I am so grateful that I had the opportunity to spend some time with her and Uncle Wayne last summer. We had a wonderful visit, and I now cherish that time with her. She gave me a figurine that my mom had given her many years ago. I thought that was so sweet. It will now remind me of her. I know this is a hard time for everyone, but I'm sure she is having a lovely time with those that have gone before her, including my mom and dad.
