

Verla June Nash Giolas

June 18, 1936 ~ April 19, 2026

I worked at Cottage Glen and though I only knew Verla for 6 months she truly changed my life. She could light up any room. We would often dance, laugh and take walks. I am so glad I got to know and work with her for the last little bit of her life. I can only imagine the grief of those who knew her longer than I did. I'm truly sorry for your loss.

We offer our condolences to you all. Verla will be missed. She is a wonderful woman and friend and she could light up the room with her laugh.

Aunt Verla was very special to me. We had a kindred spirit. She was my inspiration for genealogy. I loved going on cemetery trips with her. We had so much fun. I will miss her.

My kids just asked if Verla was still alive and I found this obituary. We were neighbors in Riverton. Many fond memories visiting her with my kids, playing with her toy tractors and talking about life. And genealogy. What a great woman! Shout-out to Bob and Tabby too! Hope everyone is doing well!
