

Vern J Christensen

May 15, 1932 ~ October 23, 2020

Vern was a great guy. He will be missed by all who knew him. He was generous to a fault and would do anything to help you if he could. The world needs more Verns. The first word that came to mind when I heard that Vern had passed was " kind"....I enjoyed doing business with Vern because he was fair in all his business dealings and he was good at what he did. If you knew Vern...he was your friend. Prayers and condolences to all his family.

The Cook family and the Christensen family go back a long way. Our kids grew up together, and our families interacted in many ways. At one time Vern was our home teacher, and he had us study the history of Joseph Smith together, from the book by Joseph's mother. At different times, Vern and I were each other's Bishop. We were very sad to see him go, but understand the hard times he was having. Thank goodness for the Gospel of Jesus Christ. To the family, we wish you the best. Remember the good times. We are glad we got to know your family. Stan and
