I can't express how much I owe Vickie! Teaching me everything I know about managing! Encouraging me to try. The times we spent in the kitchen, on the phone and at Grandma Bunny's summer camp with our granddaughters! I was always able to call her with any question and she'd know the answer. When she found out my nickname, Teeny, she always called me that. Prayers for Brent and family. Mark and Chriss Whall

As the director of Jordan School District Nutrition Services, I had the privilege of working with Vickie for 12 years. She was the best of the best and was a strong combination of intelligence, beauty, kindness, and energy. I can say that we all truly loved and respected her in every way. Our hearts are full and our thoughts are with you.

Best Boss! She hired me at OHMS as I was finishing cancer treatments. So I could keep an eye on my kids. She alway accommodated my schedule and even fought for me to stay as a job share. We had this connection. When I became a grandma she gave me a grandma journal. She will be deeply missed. My condolences to her family who she love with everything in her
