My condolences on the passing of your very sweet relative and a friend to so many. I had the opportunity to work with her at Beehive Clothing for several years and Vickie was always a happy and energetic person. She always was kind, helpful, peaceful, and good to be around. May the Lord's blessings be with all of you. Each life that touches ours for good...Thru words and deeds of those who love... What greater goodness can we know Than Christlike friends, whose gentle ways Strengthen our faith, enrich our days...We hold forever in our hearts A sweet and hallowed memory...

DeJong Family, I just wanted to express my condolences to the DeJong Family in the passing if Vicky. I haven't seen your family since your parents funeral. I know I was just thinking that I didn't know Vicky that much but for the rest of the family I knew. Miss all the fun in our neighbor hood. Just to let you know we miss the old day. Love you all, Candy Doud
