Dear Kayleen, Virginia, and family, I am heartbroken at the news of my friend's passing. Vic and I served together in the mission office in Rapid City some 45 years ago and he was one of my favorite companions. He was a beautiful singer. Kind. Caring. Faithful in his Christmas letters. I will miss him. Thank you for raising such a great man. I hope you feel the comfort and peace that the gospel of Jesus Christ brings on occasions such as this. You all are in my thoughts and prayers.

I am so sorry to hear about the passing of Vic. I worked with him during district testing through the Jordan School District for a few years. I enjoyed our talks about family, how he loved you guys, his retirement and living in St. George, Kauai and the Temple. He was always so kind and helped me feel so relaxed when I was running the testing at the elementary school. I pray for your comfort and hope you will be able to feel his spirit and love with you during the coming weeks and months.

My heart fell to the floor when I heard the news of Vic's passing. I am so sorry for your loss. Please know that he made a great impression on me during my youth. Like Vic I am fairly quiet, yet I always saw strength in his words. He helped me see that I didn't have to be the most vocal to lead others. These lessons have helped me a lot as I've grown older. My thoughts and prayers are with you during the difficult time. Monty Borrowman

Vic was one a kind. He loved children and gave them all he had. I worked with Vic and Kayleen while they were in the Third grade . I believe for both of them it was Love at first sight. Vic gave everything he had to all the students he ever taught. He is a giant among men and has great love for all. I remember it was just yesterday that the two of you fell in Love but it was the love of children and the Gospel of Jesus Christ that continues that love beyond the grave. My wife and I share this love with you. Bill and Annette Mansell

I am so sorry to hear of the passing of Vic. I have many kind memories of Vic growing up. He was a good friend of my brother, Gary McPhee. I appreciate that he took the time to come and give his condolences when our mother passed away a year and a half ago. I remember his beautiful voice and gentle kindness with everyone he came in contact with. My mother also loved Vic and I am sure she will be there with open arms to greet him. Kayleen, my heart goes out to you. Vic was such a great guy! One thing I gleaned from Vic when I worked with him at Academy Park was his devoted love and dedication to you. You were his life! He had a special spark in his eye when he talked about you. Then when I met you . . . I totally understood why. I watched him many times work on your special Valentine card and saw the lengths he took to make it PERFECT. I'm sure that collection is priceless to you! My thoughts and prayers are with you and your family. MaryJean

It is with a heavy heart that we express our deepest sympathies and condolences for a dear missionary friend and wonderful man Vic White. The first time I met Vic was in Sioux Falls South Dakota. I was being transferred and he was sent to replace me. I was sad because we had a scheduled baptism two weeks following. Several months

later, I was being emergency transferred from Fargo, North Dakota. We had a family of five who were to be baptized that week. To my surprise Vic was sent to take my place. I will be forever grateful for the sweet experiences and lasting friendships our mission provided for Vic and for me.

- ROCKY IMAM

I'm so sorry for your loss. Thinking back on my interactions with Vic takes me back to my childhood and the time spent with my friend Mason. The example that he was to me was someone who was always kind and someone who was dedicated to whatever he sought out to do. I have many fond memories of my childhood that I remember vividly spent with Vic and Mason. Mason I'm really sorry for your loss. He will always be remembered. Great man.

Dear family of Mr White, he will always be that to me. My son Josh was in his 3rd grade class in 1991, at Fremont elementary. Mr White gave him such confidence and helped him to excel as no one else had or did! He was amazing just he continued to contact and be such a great influence. He continued to be in Josh's life, even attending his wedding in Manti. I am so sorry for your loss. I wanted you to know of all of our lives he truly touched and helped. Myself and my son, and our family. All my love to you Colleen Bunting
