June 26, 1937 ~ April 27, 2024

Janet, we were so saddened to hear the news. We admired Vince and we are thankful for the time that we were able to share with both of you. The trips that we shared together will always be in our memories. Margie and I send our love and prayers.

Vince was a fine and amazing man. Please accept my sincere condolences.

Although it's been since high school Vince was one of my all time favorite people. Vince could always light up a room. My prayers go out to the entire Mancini family at this time.

Vince was a member of the Friends Board of public television station KUED in Salt Lake City when I worked for the station. He had a keen grasp of issues, and was a valued supporter of public broadcasting. Our times together soon grew into a friendship that I valued very, very deeply. He and Janet were an inspiring couple, and such a delight to spend time with. I will hold on to precious memories of our times together. I send my sincere condolences to the family, but also celebrate a wonderful life, well lived.

Dear Janet, Tad, Chris, Tim, Mark and Judy, I am so sorry for your loss. Uncle Vince was truly a one in a million person/father/husband. You are all blessed.. We are thinking of you at this sad time. I know he will be so dearly missed by all of you. My mom absolutely adored her big brother her whole life. Thank you for giving of yourselves at the memorial and for allowing those of us, who couldn't attend, to share in it with you. Love, your cousin, Kristen.
