Darrel, I was so shocked and saddened to hear about sweet Viola’s sudden passing. My heart is breaking for you and your family and for all of us who knew and loved her. I’ve known Viola since Elementary School. In all those

years, I've never heard her say an unkind word. She truly was an angel on earth. I am so sorry for your loss. Sending my love and condolences to you and your family. Rest in peace, beautiful Viola Rose. I wish I could attend the services, but I will be there in spirit. Love, Cathy Bateson-Hough

To Jenn and family you are all in my prayers. Love to each and every one.

So sorry to hear of Viola’s passing. She was one incredible woman. I’m so grateful that our paths crossed and I was able to serve at ARTEC with her. She’s a spiritual giant and taught me many lessons that I still refer to and often go back to when I’m struggling. She had a radiant smile and infectious laugh that would instantly cheer you up. She loved all her family deeply and would light up when she shared stories about them and about her family traditions and parties. She always strived to lift others and even though I hadn’t seen her in awhile she stayed in contact and would often send words of encouragement. I hope all the good memories you have with her help to bring some peace and comfort during this challenging time. Your family will be in my thoughts and prayers.

I wasn't ready to say goodbye! ■ ■ We just enjoyed a wonderful dinner date at our home with them one week earlier. Our hugs were strong and longer than usual that night. Laughter, memories, and wonderful talking of going on a vacation to Hawaii together later this year. To our dear Viola and Darrel, "The goal isn't to live forever, the goal is to leave something that will." Our wonderful friendship will bind our hearts together until we meet again! We love you! Prayers of comfort and peace to your amazing family Darrel. ■■ (We miss Viola already)

Dear family, I was so saddened and heartbroken upon receiving the news. Viola was the glue and rock that was always the life and leader of the family gatherings .I’m so grateful that I was able to be part of that family for over twenty years and Viola of course kept in touch after. I was always in comfort and peace being around her Christian spirit .She disliked no one and loved everyone ,all while being a wonderful wife, mother ,grandmother and friends of so many . A wonderful angle on this earth and I’m sure her work is not over. My sincere, heartfelt condolences to you Darrel and all the family. God bless you all! LOVE and Hugs James E, Hankins

I was very saddened to hear of Viola passing . We met her and Darrell many years ago when they managed the Walpaper City store in West Valley. We also had Matt work for us and we have a lot of love and respect for the family. We had planned to attend the funeral but I have come down with a nasty cold and so it is best that we don't attend. But I just wanted to let the family know how much we loved her. We pray that the influence of the Holy Ghost may help you to find comfort and peace. Lynn and Regina Gingell

Darryl, Kaye and I are so very sad we were not able to come and say our goodbyes to such a great woman. Viola was one of the first people in the family to welcome me with open arms…literally took me into her living embrace at the first family reunion I attended. I always loved that she was not shy in showing her love for everybody in the family and was such a selfless and genuine person. Kaye has such great memories of Viola that she will cherish forever! Please know we are sending you all our love and prayers. We love and miss you all! Rob
