

Virginia June Davis Chapman Hausknecht

June 20, 1927 ~ November 15, 2021

I was so surprised to hear of Virginia's passing. I know she is having a marvelous and joyous reunion with my friend Vern. Best to the family at this tender time.

My heart felt condolences with the passing of your Mother, grandma, sister friend. I am a dear friend of Christy’s one of her daughters’ and I know she emulates many of Virgina’s quality’s! I can just imagine what an amazing woman she is. What a beautiful story she wrote here in earth. (her obituary was beautiful!) May peace and comfort be with you at this time. With love, Colette Schulz
