Jim, Your mom was a great supporter of your talent in theater. She was a great lady and raised a great son. Love to you....

So much to say. Aunt Gin will be missed by many. Memories flood my heart of all the time spent in her home. We never felt like we were no welcome even as we became adults. Growing up sleeping on floor to sleep in the back yard. Was always fun. Needing a place to stay she opened hers doors to Darwin and I so he could be treated by doctor in Salt Lake. But I loved the feelings of always knowing she cared. Love Kim
