To the family...My heartfelt condolences for the passing of your dear Mother & Grandmother, & many friends she leaves behind. Virginia I met our first year at Rick's College. We were best of friends in the short time together her before her leaving & going home to live with my parents on the farm briefly & then helping her to bus home to the Hopkinsville home she missed so much. Virginia was always making her roomies laugh constantly with her unconventional wit, crackling laughter, & sparkle in her eyes!! Before she left Rick's, she gave me a sweet singular Pearl. necklace to remember her. I wear it to this day & cherish it along with her treasured memory. Somehow we lost contact of one another in our childbearing years! I thought of her so often wondering where she was & praying she was happy! I know she is now in a beautiful place, filled with Love & Peace where we will all joyfully find her again one day!! Remembering you always, Jeanette

Deri Dee, I am sorry for the loss of your Mother. My condolences to all the families. I did not realize I could have watched her family service. I am very sad about that. I know this has been a difficult time. Be sure to take care of yourself.
