I miss our long phone conversations. My condolences go to your children and grandchildren. You were the last of my mom's (Eva) family. Love and miss you Aunt / big sister. Blessings to all Vickie

This lady, friend, daughter of God has graduated and will be reunited with her Eternal Companion Paul whom she has missed for a long time. She is a strength to many and I will be forever grateful for her inviting me to go to her Stake Temple Day just a few days ago. Thank You Virginia for being who you will always be. We know you will be watching over your family as they struggle in this world of ours. May Father in Heaven Bless each of your children and grandchildren. Until We Meet Again, R.I.P. With Friendship and Love Remembering all our campouts and family trips will keep us comforted to know you can see and walk again. Love, Don and Mary And Family

Virginia was an angel. I only got to know her by driving her to the Senior Center which she attended. She liked to go on drives so we would drop all the others off before I took her home. She was a very loving person. She will truly be missed.

Julian and Family; I write for all of us at Rivers Bend Seniors Center. We loved your dear mother with all our hearts. She was such a joy and so precious to us. Always laughing, a great big smile. So soft spoken and kind to all she met. She never met a stranger. She loved HUGS! We loved the stories of your family that she told in the writing class. The fun she had speaking spanish in the spanish class. She excercised in three excercise classes: the erobics cls, the U of U class &, the Tai Chi class. She was allways joinning in and celledrating life! We so loved her! We dearly loved her! We will dearly MISS HER!

I met Paul and Virginia near my home as we were both looking at a machine tool for sale. They were first there and did purchase the machine. After Paul had graduated, Virginia was at a Stake Dinner and Dance where I asked Virginia would dance by me pushing her around the floor to the music. We both had fun. Her 3rd ward split into the 1st and 2nd wards. She became part of my 1st ward, and I was assigned to her as a ministering Elder. I did my best to be numbered among many who helped in her needs. I got to know her grandsons Lucas and Dean. I also enjoyed her small weak smile Sunday night after she took of the Sacrament and heard a Scripture, we read to her a second time, upon her request. (Book of Mormon 1 Nephi 3: 5-7 doing what the Lord has commanded). IN HER JOYFUL SMILE, RIP

Virginia was such a sweet soul. I loved her so much! She was so good to my family especially my sweet momma. I spent many years hanging out at their house.
