

Virginia Ruth Cutler Boogert

August 9, 1929 ~ December 12, 2021

Your mother touched so many people with her faith and kindness. I hope it will comfort you to know that others are missing her right along with you, and sending love and prayers your way. I will miss the box of delicious cookies She and Uncle Marinus would send my dad, without fail, during Christmas. "With It" Much Love Scott and all the Cutlers

Dear Dear Ginny!! How we loved her and Marinus! We go way back to San Pedro Ca. and then to C Street where she and her familiy cared for me and baby Shauna while I was so sick. What a marvelous family she was from, and and they all gave a lifetime of service. I can't thank them all enough for their generous lives. My love goes to you Marinus and your wonderful family. Ginny and I were the same age, and we always remembered each other at Christmas. You were all dear friends. My love and sympathy to you and yours. Colleen

Please accept my condolences as you grieve for Virginia’s loss. Since my daughter, Amelia Largey, met & married Marius & Virginia’s grandson, Bryan Lee, I have had the opportunity to get to know the Boogerts. Virginia was a vivacious, family oriented matriarch. I know Marius will miss his life’s companion, & am so sorry for your family’s loss. I pray that you will feel the peace & compassion the Savior feels for you as you remember Virginia.

I’ve been missing Virginia for a while, since the pandemic, but now I’ll miss her until it’s time for me to go. She was such a special friend! We had great times at Lunch Bunch, talking over the avenues days, and the wonderful lives we’ve been able to have at this time! It’s a different world ,now. It’s time to go! Love you! ■■■

I'm so sorry to hear of Virginia's passing. I'm grateful for Virginia's gift of friendship over the years. How we would save each others seats in Sunday School and Relief Society. We got to have our own luncheon group with Lucy Bodily and Jean Thomas once a month, weather and health permitting. Virginia's warmth and wit always charmed us with a response that made us giggle and laugh and have a good time. Marinus and Virginia continued visiting with me every Sunday before Sacrament Meeting long after the visiting programs were retired with a story and a compliment or expression of love for me. Virginia has received her Celestial transfer, but her sweet memory will continue with me until we meet again, but it won't be for a while. I love and miss her, and I want her to remember that!

As a young couple with a 1 year old we moved into a rental home on Redondo Ave. Your sweet mother was so very kind to us. She and your father were just like parents to us and welcomed all from the Ward and neighborhood into their home. Know that we loved her and give our love to Marinus. She was an elect woman!

I knew Virginia in Daughters of the American Revolution; so sorry to hear of her passing. She was a wonderful patriotic lady and we enjoyed serving in DAR with her.
