

Virginia Winget Quayle

January 11, 1927 ~ July 6, 2025

I shall treasure the many hours I spent with Virginia quilting and visiting with her. She was a beautiful addition to my life.

We came to know and love Virginia as we served at the Beehive Home in Draper. We conducted Sunday services there. She was always a bright light to everyone there. She lifted our spirits each week as we tried to lift spirits there. We will miss her greatly.
