March 1, 1929 ~ December 10, 2021

Please know you and the family are in our thoughts, and that we are sharing in your sorrow. We have fond memories of your Mom she was loved deeply and sincerely by all who knew her. Our thoughts and prayers are with you at this time.

Vivian, you were not supposed to go before me, my dear friend of many, many years. As a member of the fearsome foursome you have now left me to go it alone. How I loved our wonderful bi-monthly get-together we had after I moved back to Utah. I remember the good times we spent way back in the 1950's doing missionary work and going to the Dairy Queen after for sundaes which solidified our friendship for the rest of our lives. I look forward to a happy reunion with you, El Dora and Shirley soon. My life has been blessed by having you in it! My condolences to your family. I know you will be missed. Love to Your Loved ones, Margaret

I only knew Vivian for the 5 years I have lived in the Lakeside Village, but was always delighted to see Vivian and have her greet me so kindly. Her family were always so gracious as was she, and we enjoyed their company at breakfasts and activities. My deepest sympathy for your loss of your mother, but we know where she is and who she is with. May He comfort you all. Thanks for sharing Vivian with us.
