

Vonna Rae Polad Plescia

June 2, 1940 ~ March 11, 2025

I'm so sorry to hear about Rae passing, but I'm sure she is rejoicing to be reunited with so many loved ones on the other side.

So sorry to hear about Rae's passing, rip sweet lady. Prayers to Neena and the family.

I do not know the Plescia's. I live near California Ave and said hello one to Mrs. Plescia as I walked by the family home. It is nice now to know the name of the family who lived there and created the home they seemed to love so much. RIP.
