Waldemar (Wallie) Eph Rasmussen

August 11, 1944 ~ November 6, 2022

I'm so saddened by Uncle Wallie's death. My thoughts and prayers are with you, Aunt Harriet, and your children and grandchildren. Our last visit with Uncle Wallie was one that my youngest three children, Lee and I will never forget. We were in the Salt Lake Temple, and he was working that day. What a special memory of a very special man. Lots of love to all of you!

We are so saddened by your loss. We extend our sincere condolences from our family to yours. We loved Wally and shared many wonderful experiences throughout the years y'all were in Houston. He was an amazing man. We will never forget his smile and laugh. God bless the Rasmussen family and especially you, Harriet.

So sad to learn of Wallis's death. He was a kind and gentle brother. Law school was made bearable because Wallis was my friend and mentor. We hope the peace of Christ will be with you and your family in the weeks and months ahead
