

Wallace "Eldon" Lundberg

October 11, 1925 ~ September 21, 2024

It was my honor and I will always be grateful to be small part of Eldons life!! He taught me about endurance, kindness and grace under pressure. He was a kind spirit and will be missed!! Until we meet again My Friend!! Lori RN

I am so very sorry to hear about Eldon’s passing today. I would have loved to be in attendance for his services. Zoom meeting was so beautiful and a great tribute. I worked with Eldon in the Alta View ER and with your Mom in the Radiology Department. It was always an honor to work with Both of them. Eldon always began the shift with a joke or funny story. He was always a great member of our team and was our privilege to work together. With deepest sympathy, Fran Akita Alta View Emergency RN retired.
