I had the pleasure of playing golf with Walt and his friends for several years. He had a great sense of humor and we enjoyed teasing one another on our errant golf shots. I know he will be a big loss to his family and friends.

I was sad to hear of Walt's passing. Walt and Pauline were my sister's next-door neighbors for years. I was always comforted knowing that Walt and Pauline were next-door and would be there if my sister needed their help in an emergency. Rest in peace, Walt you and Pauline have a lot to catch up on.
