Dear Dennie. It was with sadness in my heart I read of Walt’s passing this morning. It brought back a flash of fun memories from many years back when we were neighbors. Since my Don’s passing this past March, I realize the heartache and adjustments you and your family will be going through. So thankful for the gospel and eternal families. May the Lord’s comforting spirit rest with you as you face the challenges ahead. You are in my heart and prayers.

Dennie and family, As you may recall, Walt and some of his friends were kind enough to let me play in their Saturday morning golf group for many years. Looking forward to those mornings got me through a lot of tough weeks and the February golf trips to Arizona were always a highlight of the year. Through it all, Walt was a great guy, a great friend and a true gentleman. I've never met anyone who knew him who didn't think highly of him. He will be missed by a lot of people who you are probably not even aware of. After avoiding contact with our family at Thanksgiving, Linda and I have decided that it probably be best if we don't attend Walt's funeral. We hope that you will accept this note as our expression of our deepest affection and respect for Walt and our support for your family in this time of sorrow. Rand and Linda Cook

Dear Dennie, I am so sorry to hear of Walt's passing. When I was 20 years old, I had a job interview with Manivest Corp. Walt was who I interviewed with, and he gave me the job. I was forever grateful for that opportunity. I'm now 70, so I have known Walt for 50 years. He was always kind to me and I truly loved working for him. Dennie, Walt was very lucky to have you by his side. I always loved your laugh and spunk. I hope you can find comfort in the many memories you shared. Tom and I send our love to you and family.

Dear Dennie and family, I am so sorry to hear about Wally's death. I was lucky to know him and call him my friend. He and I spent time building race cars and going fast. We worked together on a red Austin he bought from Danny White. It was fast and fun to drive. Its ironic Danny White passed away a week or so before Wally. I have a lung disease which makes me high risk for COVID so I was unable to attend the funeral or viewing. I am very sorry to have missed it. Dennie you and Wally are a great couple and have taken the steps to be together with your family forever. Our thoughts and prayers are with you. With our deepest sympathy, Don and Sharon Cowley

- Don Cowley

Walt was a very thoughtful, smart, & kind 'gentleman.' He was fun to be around, especially on the golf course. Walt and Denne were unbeatable together, a great couple always fun to be around. Walt will be missed. Our condolences and prayers to the family.
