Dr. Kelly, My condolences to you and your family on the loss of your father. Losing a parent is never easy. We're so grateful for you at the Layton Hospital. Kind regards, Tara

Sorry for the loss of the patriarch of your family. He led a good and long life and left a wonderful legacy. May the Lord's Spirit be with you to comfort and uplift you so that you all may carry on the legacy he left. In due time you will be able to be reunited with him and those who have gone on before him. In the meantime be vigilant and valiant in your testimony of our Heavenly Father's plan and He will bless you for your efforts.
