The Cooley family is the world’s best family and to know you are all suffering in the worst possible way is heartbreaking. I send love from the deepest place in my heart, share your tears and pray for each of you as you traverse this horrible tragedy. May you find peace and comfort in this difficult time.

Doug and family; Hi Doug- I haven’t seen you for so many years Doug. I’m Zachary’s Dad. My heart can only imagine the broken heart for you and yours Doug. I’ve always been proud of your friendship with Zac. It’s a true example of the Saviors love for others. Being a parent myself (obviously) I have truly wished I could take a “shift” for you and your wife and other kids for the pain you are going through. MAY THE LORD BLESS YOU. I KNOW IN MY HEART HE IS THERE FOR YOU. MAY I OFFER MY LOVE FOR YOU WITH MUCH LOVE ROB MILLER

Dear Alex, Douglas, Jane and Margaret: It's hard to imagine the brevity of Walter's life. We saw your parents/grandparents in California at the time he was born, and we shared their joy. We wish we had met him; you describe him so beautifully. It is easy to get a vivid picture of his personality. He wasn't waiting to enjoy life - he was here and he wanted to make the most of what life brought his way. Your photos are just wonderful - it's not only that he was beautiful, and perfect - but again, you can see what a joyful fellow he was. We wish that we could be with you this week. Please know that our love is with you. Kyle and Julie are so important to us - and of course, we feel the same about all of you. With our love, Lauren, David and Thalia.

- David, Lauren and Thalia Bricker

What a beautiful service. Walter was so lucky to spend his life with such an incredible family and to have you all through eternity. Your descriptions of Walter remind me so much of my own 3 year-old it makes my heart ache. I can’t imagine. I wish I could find the words to express my love and sympathy for you as you grieve. Please know how loved you are by all of us.
