Sad to hear this , I really wish I could be there to say my goodbyes and to see you for the first time in my whole life ❤■ I'm gonna say it again too you aunt Wanda even though you would never say it back but I love you and will miss you ❤■

So sorry to hear about my friend Wanda ■ I'm sure she is enjoying her visit with her daughter and other family members who have passed to the side. Im 86 years old waiting for my call to go to the other side and visit my family waiting for me. Wanda was a wonderful sister to the Church. And she will be missed!!! Love to the Wach family. ❤■■■
