

Wanda Layton Thompson Siler

Sept. 8, 1932 ~ Aug. 17, 2021

My deepest condolences to the family at the loss of their beloved wife, mother, grandmother, great grandmother and friend. May you all feel the peace of our loving Father in heaven and his beloved Son, Jesus Christ.

The last of our sweet aunts has left this earth. I imagine there is a fun reunion happening on the other side with your dad and many family and friends, but especially her mother. I always picture grama Erma with your mom's same personality and spunk. We pray that you will all find comfort knowing she is in a happier place and pain free. Love you all. Nancy
