

Wanda Ruth Forbush Lockwood

Sept. 17, 1929 ~ Sept. 24, 2021

We are saddened to hear of her passing. We loved visiting with her, Keith, Mike and Lari. She always worried about making sure she had a treat for us and our children. We would go up on a Sunday and spend a long time visiting. My children and I looked forward to seeing them all. We love you Aunt Wanda. Enjoy your reunion with Uncle Keith.
