

Wayne B. Wright

December 4, 1948 ~ January 11, 2024

A Patriot and a real gentleman. We will miss him at our East High 67 guys luncheons.

When my sister married Wayne she was in seventh heaven, so happy to have her Eternal Companion. Together they explored some of the world and also had to experience time away from each other. They have an extraordinarily beautiful family devoted to building a strong family unit, and their Faith. Wayne was devoted to Shirley. When her health failed he took good care of her. I know he missed her and spent time reminiscing their time together on Social Media. He is loved and will be missed.

We loved Wayne and our friendship with him! He was so kind and always friendly. Personally I loved Wayne from our first connection in band at Bryant Jr. High and then again at East High. We both loved Patty Moore (ha ha). His contribution to the East High boys lunches was memorable and he got our pictures posted after. He will be dearly missed.

I'm sorry for your loss. I liked Wayne. We had a lot of fun on scout camp outs. Your families are in my thoughts and prayers

Wayne and I are very old friends from the time. Our sisters pushed us around in our strollers until now. Wayne was always the clown of the class. Sometimes we didn't get along because I thought one way and he thought another but we always loved and cared about each other so happy for Wayne that he's graduated and been reunited with Shirley, Larry and I will miss him and his Hawaiian shirts.

I just barely saw the obituary and I missed his funeral! So sorry to not see all of you and rejoice in a life well lived. Wayne is a good man and we were blessed to know him. We pray you all are comforted as you recall the many memories you shared with him. Please know our hearts are with you. Love, Laurel Simonsen

Hey Wright family, I listened to the celebration of life/funeral service of Wayne, my dear friend. It was a lovely tribute to a great man. I will personally miss seeing him at the East High Boys lunches. He was a great man and great friend. Condolences to each of you at this terribly hard time.

Will miss his many postings on face book which included family pictures. Was at least able to attend his viewing and to meet some of his family. Enjoyed our many years of family relationship. Wayne was my cousin. His father and my mother were brother and sister.
