Arthur Kureghian

September 27, 1929 ~ January 27, 2015

I knew Arthur in the 1960’s. He worked for my father who was an architect in Joliet, Illinois, and who helped him to come to this country. I have several of his paintings that he gave to my parents. I can be contacted at ozs@prodigy.net, or (831)252-2500 and would be grateful to be in contact with his family. Thank you.
