

Wendy Michelle Chittick Knaack

August 14, 1968 ~ August 26, 2020

My memories of Wendy Michelle go way back to when she was an infant. She was always a very happy , friendly & smart little girl who loved purple things. Can still see her dancing funky chicken on top of coffee table when about 2 years old. & knowing names of famous race car drivers of that time

Heaven just welcomed another beautiful angel when Wendy left this earth. A loving, kind lady, always with a smile on her face. I am truly blessed to know this special friend. She will be terribly missed! RIP my dear Wendy! Deb

Oh cousin Wendy! You will dearly be missed! The funniest memory I have of you was when I flew into Riverside with Gamie to visit the family. I must have been maybe 8 or 9 maybe 10. Wendy took me to the mall and I ended up getting my ears pierced. Gamie wasn't a fan but I can't remember if she was upset about it or worried about what my dad would say. I remember lots of cabin visits and she would take me to the "Happy Rock!" Sending our condolences and prayers and praying for healing and strength during this time. Rest In Peace sweet Wendy!

To Wendy, my families dear friend. My brother and I absolutely adored you and loved coming to your house as kids. We were very little when you used to watch over us, but I still remember your beautiful face, your soft voice and your kind heart. Thank you for touching our lives, thank you for teaching us kindness. You are sorely missed.

Wendy was my sister in law but also a special friend to me..wendy was one and only WENDZ (aunt) to my boys Skyler Chittick and Spencer Chittick and a ANCH to my granddaughter kathyrn chittick. All my great memories of wendy are always fun and funny, one of the many i have was when we were at the cabin and did a night quad ride with skyler he was little, we were coming from grandma Willy's cabin and there was lighting in the summer sky, so we decided to turn off our quad lights and the sky would light up for us while running over all the toads... lol... so many more and I will cherish those memories to share to the boys and kathyrn. My most recent is sending her pictures of kathyrn and always adored those pictures... Til i see u again.. Wendy we miss u now and will always miss u... LOVE YOU, wendz "babies"...

My precious niece. I miss you so much. I remember playing with you before you could walk. You were magical. I remember patting my hand on the sofa, telling you, "put your head right here" and you would do it. You were always so loving and gentle, no wonder the animals adored you. They knew. I'm sorry for all the hard things you had to face in your life. You did it with dignity and you should be very proud how you lived. You left behind so many people who love and respect you. You will always be my precious niece. We love you so much and we miss you. - Uncle Mike And Aunt Linda

Wendy was such a sweet and kind spirit. So soft spoken. I have a vivid memory of visiting Jim and Sandi in Southern California when I, "Uncle John" was in College. Wendy was so proud to show me her friends, "Hippie Boy" and "Carol T". It makes me laugh and cry as I write this. Her absence will leave a huge empty place in her family. She will be missed.

We are so sorry to hear of Wendy's passing. We remember what a sweet and funny little girl she was. Aunt Neida remembers how she took her purple a (a strip of her mom's nightgown) every where she went. Our thoughts and prayers are with y'all. May God give you strength and peace knowing she is in sweet Jesus' arms.■■■■

Wendy-so many words to describe you. An awesome friend and buddy-all those lunches, movies and shopping excursions. We had fun. Strong and courageous-keeping a positive attitude through all you endured. Your smile contagious. Sweet and happy-believing the best of everyone. Never a bad word spoken. Compassionate and caring-working well with patients and family members as a HUC in the UOU ER. You will surely be missed. Your family and friends are in my thoughts and prayers. Always, SHERRI
