Dear Bob, Sending sincere condolences to you and your family as you mourn the loss of your precious wife, mother and grandmother. Wendy was a shining light and her warmth and love will be deeply missed. She was a model of courage and grace in adversity, and warmth and love as a friend and companion. From me and all the team here at FranklinCovey ANZ, our love, thoughts, prayers and compassion to you and your family at this difficult time.

I met Wendy, in Chi Omega back in 1973. I remember seeing her for the very first time and thinking she was the most beautiful girl I had ever met. As our pledge trainer, I soon realized she was not only beautiful on the outside, but beautiful on the inside as well…always showing us her kind gentle ways. My thoughts go out to you, Bob, and the entire Warner and Whitman families. Prayers are with you at this tender time. Love, Laurie Grant Johnson

Our sincerest condolences Bob and Family, for the loss of such a wonderful wife, mum and grandma. I had the opportunity of meeting her in my first year at FranklinCovey at your house in Park City and she was such a wonderful character and person to meet.
