My heart goes out to your family Cristina. What a blessing it was to have known Wes, and I'll always remember his for the great father and husband he was to you guys, as well as a good friend to me. He loved you all so much, and he'll live on as a constant reminder of what it means to have patience and love. God bless you are your family, and I know we'll see Wes again.

Wes was such a great person. Always had a good sense of humor and made sure everyone felt happier around him. We had running jokes about his caps and I remember a lot of support we gave each other in virtual coffees. He had an enormous love for his family and I am sure that he will keep an eye on all of you. My deepest sympathies.

Even though I only met Wes 3 times, I got to bond with him a little more in Jasmin’s quince. His soul showed kindness, caring and profound to be an incredible husband and father. I send my condolences and great support to Cristina and her family, but most importantly to my closest friend Lucas. God bless their hearts and let them rest knowing they made him proud.

There was no one at Scopely I worked more closely with than Wes. He was my rock and my right hand, and I couldn't have made it through without him. It is not and will not be the same without him, and I share in your grief. I can only remind myself how honored I was to have spent so much time with him, and to have learned from his diligence and heart. I will always be so proud of him and what he accomplished. Sending all of my love to his family.
