My sincerest comfort and peace to the Buchanan family

- Lindsay Mattes

So sorry for your family's loss. I always thought Wes was a great guy.

- Chris chavez

Sorry for your loss. May God give you comfort in your time of grief.

- Farasat saboor

We were so sorry to learn that Wes passed away. It was such an honor to work with him for many years. We worked most closely together in the late 80's and early 90's. He did a wonderful job managing the Allstate Insurance account providing signs made with stainless steel cabinets to Allstate offices all over the United States. I really enjoyed his dry sense of humor and his infectious laugh. Maureen, we hope that you and your family will feel peace from Jesus Christ now in the days to come.

Thank you for calling to let me know about Wes' passing. It was good to talk with you. When you have his celebration of life, please let me know. Sending my cous hugs.
