Sandra and family, Re Nae and I are very sorry to hear about Wes's passing away. We are very happy that we did get to visit with him and with your families over at Casey's house. I really enjoyed talking to him about his retailing days at Smith's. He had some great stories. I wish I would have known that he was in the Air Force. Would have loved hearing those stories as well. Rest In Peace Wesley

Miss you Wes, and also miss the whole hilarious and endlessly fun family that you brought to the world. I can't believe I haven't been over for dinner for the last 15-20 years. I miss your warm and direct way of keeping things moving. You were never one to bore the world with long stories or sentimentality so I'll keep this short. I love you!

Wes was one of the "good old gang" on Apple Hill. He was loved by all on our street having frequent conversations with many in his front yard. He was a caring person for all of his friends and will be missed by everyone who had the pleasure of knowing him. My wife, Norma, and I express our deepest sympathy to Sandy who we love as well.
