

Wester Schow Potter

April 15, 1934 ~ May 17, 2022

Libby,Meagan, and Paige, My heart is with you at this sad hour. Your Dad was my best friend in the US of A and will be missed by all, especially me.

- Brent Faulkner

As 1of many i first met Wester on the salt when i still lived in Texas and was Skip Higginbotham's eng partner and Gary Allen was driver. We had much in common , ranch beginnings college and love of fast cars! 2008 was China's Year of the Rat and RATICAL my AA/GL 2211 was the first NA Lakester go over 300 and set a record over 300. 305.657 I was amazed and forever grateful for the length of Wes efforts to get publicity and recognition y way. I always suspected he was miffed that HOT ROD MAG deliberately snubbed RATICAL because it looked so Homebuilt. But ever the Gentleman Wes never said a word. but he sure enjoyed my appearance in the documentary SALT. GODSPEED my much admired friend I have cherished the evenings I got to spend with you and Polly, it was apparent you held her in high esteem. but only today I learned one of the reasons. YOU MET HER AT A CAR RACE!!! ENJOY the REUNION with admiration, Love and a grateful heavy hear. SPARKY i was

I was truly saddened to hear that Wes had passed. He was a great friend who was always encouraging us musicians. He was one of important connections for us to maintain our enjoyable relationships. I’m grateful I knew him.

- Lars Yorgason
