

Weston "Dale" Larsen

April 20, 1934 ~ January 2, 2021

We were neighbors for many years in Bartlesville; Dale and Barbara were the best neighbors one could ask for. The world is a lesser place with both of them gone.

Having been raised in Bartlesville, the Draney and Larsen families have always been close friends. Our mom and dad (Harold and Peggy) shared many wonderful times with Dale and Barbara. My brothers (Hal and Ted) and I spent many hours playing basketball, softball, hunting and fishing with Dale, Cody and Jace. Dale was also our Bishop and Harold and Dale served together in the bishopric together at one time. Dale and Barb would often visit our home (rarely unaccompanied by a loaf of Barb's homemade bread or one of her other heavenly baked creations). There was much laughter exchanged during these visits since my dad was such a tease and Barb/Dale would banter back expanding the frivolity. I am grateful for the good example Dale was of a righteous priesthood holder and faithful husband and father. Stormy and I extend our love to the Larsen family offering prayers of comfort and peace at this time of loss. To Cody, Melinda, Michelle, Jace (and your families) we will mourn your loss with you today in spirit but we will celebrate a blessed Bartlesville reunion in heaven.....if you listen closely, I am confident you will hear the faint sounds of angelic laughter (and perhaps the cringe from a injured finger or collarbone).....anyone from Bartlesville will understand.

To my dear Uncle Dale, I will certainly miss you and I am so grateful for all the happy memories I have of you. I still remember when you and Aunt Barbara got married and I wore my pink twirly dress and twirled around at your reception. It was such a grand party! I think I was 3 years old. I loved it when we went to visit you and Aunt Barbara and "the cousins." You have been an excellent example to me in my life. Every time you traveled for work close to where my family lived, you would make sure we got together at least for dinner. My children loved you. As I have grown older and we have come to Utah it was always so wonderful to spend time together and remember all the good times, and funny times, and laugh and sometimes feel sad about those we missed. I love you. You always supported and loved me. Thank you. Love, Juanita
