Willy was a wonderful man. He was always kind to me and cared deeply for his family. He had a great work ethic and taught me a love for cooking. I still have the monarcas keychain and sombrero keychain that he brought back for me from Morelia. I will miss him dearly. Thank you Gonzalez family for sharing your father and grandfather with me and my family!

So he always started the conversation como esta la familia de la Cruz and my puzzled face would go away knowing it was your dad and we would have a great conversation catching up .
