Dear Call Family, I am so sorry to hear of Bill's passing. You have all been a second family for me. This is a difficult loss. What a guy! Such a shock. May the Lord be with you all as you come to accept not having him with you now in the here and now. I pray the Lord's blessings will be with Linda and Mary, my dear and best lifelong friend, and all the rest of you. I am happy that Bill and Linda have been close by these last eighteen months and that we had the time we did together. Special prayers for his children and grandchildren. The photographs showed what a beautiful family he has. Love to all! Thankful to have known him... what a character!

Sorry to hear of Bill's Passing. We were in Three Areas together in The California Mission. One of the three we were Companions, Bull was The Supervisor and I was his Assistant. We had a lot of success togather, a lot of memories. Will miss Bill on Facebook, my Condolences to Bill's Legacy and Great Family.
