

Willard Ram Henriksen

January 11, 1932 ~ October 7, 2024

Willard was an amazing man. I looked up to him for 45 years as an example of the type of man I would like to be. He was always kind and understanding and cared about everyone. He was fun to be around and always had a great spirit about him. He will be missed dearly. My sympathy to the your family. I hope you all can find peace at this time in your lives.

JERRE AND JILL, I'm so sorry for your loss. I hope everything goes well as you expected and I will keep you in my prayers.

Growing up with Brent Grunander (Willard's grandson) I was blessed to hear stories of the great men that helped raise my best friend. I wish to hear more stories about this incredible man and want to offer my condolences to the family. Grateful to have an understanding that families can be together forever.
