My sincere condolences to the entire Sutton family with Barry’s passing. He was a great man who made a huge impact on so many lives and I know he will be dearly missed. I have many fond memories when I was growing up and spending time with your wonderful family. I will keep you in my prayers and ask for an extra portion of God’s love, peace, Grace, and healing to be with you all at this time. Love, Paul Fawson

Dawn, It was a shock when I heard about Barry's sudden illness and passing away. I've known Barry since we were boys. Barry had a good heart and a tenderness that endeared him to many. I loved playing basketball with Barry. Our ward team went all the way to the finals of the whole area and we almost won a team that had two men on the team who had just retired from the Utah Stars. May the Lord bless you and your dear family at this special time of remembrance as we celebrate Barry's life. Much love to you, Garfield
