Grover Family, I am so sorry to hear of the passing of Bill. You are all so very loved. Most of my memories growing up include your family. I hope you are all feeling the prayers of those who love you at this difficult time.

Bill was a delightful individual. Kind. Intelligent. Interesting. Insightful. I had an assignment where I visited him and his wonderful wife on at least a monthly basis for several years. I felt blessed by the experience. He contributed much in this life and will be missed. rbs

Our deepest sympathy to your family with the news of Bill's passing. Salt Lake City has lost a great self-made businessman and citizen. Bill and Kathy exemplify the core of the American dream - the patriotism of hard work, family principles, and moral courage to help make the world better. His memory will certainly be rehearsed by all those who knew him. I know our family will not soon forget the Grover's. Thank you and best wishes.
