My heart broke to hear of your loss. We just saw him at Uncle Lorins funeral. Jim enjoyed a nice visit with him. Our love is being sent to you.

Debbie, I just read about your husband. As I read the obituary he sounded like a wonderful man. As we all get old it means a lot to lose you mate. Just know I am thinking about about old friend and hope you can find understanding and peace. ■■■ Deb Smith

We are so sorry, Debbie for your loss. We did not know that Bill's health was so bad when we saw you at my Dad's funeral. Thank you again for coming to the funeral. I believe we will be able to go to Bill's funeral also. I'm glad you have many children and grandchildren to help you through this sad time. I know you will be able to be with Bill again someday. Sorry it will probably be quite a few years for you. He really died too young. We love you

I worked with Bill for many years at Home Depot . He was more than just a co-worker, he was a great friend.
