

William Blood Mansell (Bill)

August 27, 1939 ~ November 23, 2024

I’ve always thought of Bishop Mansell as the best man in the Ward, and I will miss him.

- Duke Edwards

We are so sorry for your loss. Bill was always such a wonderful neighbor and friend to all. He will be dearly missed.

Mr.Mansell taught at Millcreek Elementary when I was there in the 1960s. Everyone wanted him as their teacher. Although I was never officially assigned to his class, I was able to spend some time with him. I struggled with math, and my teacher felt Mr.Mansell could help. He took the time after school each day to sit down and help me. It obviously changed my life, as I still remember it after 55 years. A good man he was. God Bless!

Bill Mansell was our Bishop in the Union 21st Ward during the late 80’s to early 90’s. He was a wonderful neighbor, and always willing to help others. I would see him in the Draper Temple as we both worked there too. Always positive and had that infectious smile. He was a man of faith, and integrity. He will be missed by his family and friends. It was my pleasure to know him. Jack Hart

Him and Mrs. Mansell was like an angel sent from God during my mission; taking care of me and my companions. For that and many other reasons, I can never thank him and Mrs. Mansell enough. Together they were obvious soulmates that made me want to find mine. May he rest in peace and my deepest condolences for his family.

I had the absolute privilege to live with the Mansells during two transfers on my mission. Along with his wife, Brother Mansell provided a safe and loving home full of the spirit, always ready to welcome us back after a long day's work. He made sure we were taken care of and had what we needed. I am thankful for his service and his kindness and will never forget him.

I was one of President Mansell's missionaries. He taught me to be bold in declaring my witness of the restored gospel, to serve and love others first. I will forever be grateful for his gentle love and guidance. The lessons he taught me as a missionary have stayed with me for 20+ years.

Our sincerest condolences. May the Lord bless and comfort you in your time of grief. I only met Bill once or twice (I was Marcia's companion in Italy), but remember him fondly.

I am so sad that Bill Mansell is no longer with us. I have a great fondness and love for this great man. He and I laughed and laughed when we worked together at Silver Hills Elementary. And then when he hired me at Fox Hills. I am going to miss you my sweet friend. Thank you for the beautiful memories ❤

I so loved this man! He was my kid's principal at Western Hills many years ago and I served in the PTA! When he moved to Silver Hills elementary, he helped me get a teachers aide job at the school and loved every minute of it!! I loved when we would ever run into him! Sorry for your loss! He is definitely one of the good ones!

"Big Bill" was my uncle. I have many fond memories of parties, Sunday dinners, Christmas and Thanksgiving at Granpa and Granma Welch's house. Bill was a "stand-in" dad so I could go to the Daddy Daughter Dates every year. Sending love to Annette and all my cousins.

I served in the New Mexico Albuquerque mission from October 2001, October 2003. I loved President Mansell. He always had a smile on his face, and was always excited to see his Missionaries. I'm saddens to hear of his passing. I will always remember his smiling face. He is an amazing man. My condolences go out to Annette and the rest of the family. Love you Annette Elder Crawford
