Bill's obituary is as refreshingly open and honest as Bill - another man without guile. We were brothers for fifty years.

Lori and family, I wanted to express my condolences on the passing of Bill. He always had that big smile and a fun story to share. Bill often expressed the great love he had for his family and what a lucky man he was. I miss the Brown Reunions we had and how it kept us connected. With deepest sympathy, Wade Hansen

Condolences to family and friends. I knew Bill from missionary years in France. Knew Bill from the time when we were in the Language Training Mission. He was always friendly and a happy guy. Always loved the French people he was called to serve. Worked hard, and good to everyone. A pleasure to have made his acquaintance. A real people person...

Gayle and I send our prayers and love to you as Bill's family. We have many fond memories of you, the Farnsworth family. As the years have marched on we have had moments when we've remembered and smiled and wondered where you are and how you're doing. We pray Heavenly Father will fill your hearts with peace and fond memories through the coming days and weeks and months. We are sorry not be there to day. But our thoughts are with you.

I first met Bill in gym class at South High. We hit it off and became friends. We found we had a lot in common including we were both sons of fathers on the Salt Lake Police department. I have lost track of Bill only now to discover we both live in Centerville. May the Lord bless you all. I know he will be missed.
