

William C. Vriens Jr.

February 29, 1936 ~ December 7, 2025

We absolutely love Bill, or as we knew him, President Vriens! He and Heidi were so sweet to our little family while we lived in Edinburgh for school. He brought his expertise and personal checkbook to spruce up the historic mission home in Edinburgh, and even planted gorgeous flowers in the garden while Heidi played basketball with the elders :) Beautiful and amazing people!!

Sending lots of love and prayers to your whole family! Bill was one of a kind! I spent a lot of time at your house and he always had a way of making me feel loved and seen! "Mardellya" is what he always called me as I entered the room, which always put a smile on my face! I'll never forget him coming into Heather's room on the Saturday mornings of our sleepovers around 8am and saying "work, work, work, it's time to work and friends go home!" ■ I skeedaddled out of there pretty fast! ■ He was a great example of kindness and hard work and dedication to the Lord! He will definitely be missed! PS. I have no doubt my Mom was in his welcoming party on the other side!

Bill and I were missionaries together in the Netherlands Mission from 1956 to 1959. He was a leader in the mission and when he returned and started his business, his ideas and activities set the stage for a wonderful family enterprise. He will be missed - but he'll be watching - looking down on what you are doing to help God's children.

- Kent R. Van Kampen

Patsy has certainly welcomed him into the spirit world this week, and I am certain she joins me in this expression of love to Heidi and their children. We treasured our time together in the ward many years ago. All my love, David Goates
