

William DeWitt (Dee) Taylor

December 20, 1948 ~ February 20, 2023

Dee and I were best friends and back-yard neighbors during elementary school and continued to stay in touch over the years. I'm sorry for your loss. His good life influenced so many others and he has left us much too soon.

We are so sorry to hear about Dee. We share so many beautiful memories of this great man.

Dee was known affectionately in our family amongst my brothers and sisters as the favorite uncle. We were so saddened by the news. Much love to the Taylors, from the Fischbeck's. Dee was so kind and thoughtful to our family, we love you all.

- Courtney Fischbeck

Dee was my friend! As a Sophomore entering Provo High School in 1966, I was blessed to meet Dee, and he not only befriended me, he took me under his wing. nothing could have been cooler for me than hanging with one of the most popular seniors in the school! I felt even more special when he offered me one of the school jackets that he had brought back from Cairo Egypt. We lost track of each other as he graduated ahead of me and we both left our little world in Provo UT. I'm certain he is once again having adventures and learning all he can.

Dearest Shana and family: We were so saddened to hear of Dee's passing and know how heavy your hearts must feel at this time. Dee brightened many lives and it has been so lovely to read and re-read his wonderful history and view your beautiful slides. May the love of the Savior bring you comfort--along with your tender memories of the dedication and devotion of this good man. Our thoughts and prayers are coming your way from Jerusalem this evening. We can't seem to join the Zoom, but we are with you all in spirit and support. With our sympathy and love, Patty and Paul

I sure did think the world of Dee, and wish you all comfort and lots of love. I still think the world of him and all of you. I am deeply sorry to hear about his passing. Losing a loved one is never easy, and I can only imagine how difficult this must be for your whole family. Please know that you are in my thoughts during this difficult time. Your father was a remarkable man and will live on through the memories and the love he shared with you all. I hope you find comfort in the support and love of your family, friends and love of our savior. All our love from North Carolina.

I am sorry to learn of Dee’s passing and am sending so much love to his family. My mother and Dee’s mother were friends, and I have fond memories of playing with him as a young child in the Maeser neighborhood in Provo. Embrace all the good times you shared with him. Blessings to you all, Geri Hayes
