My heart is so heavy hear that Willi has left this earth. I had the pleasure of working with him at 3form. He was an innovator with a wonderfully creative spirit. He was an absolute joy to work with. I learned so much from him. A piece of him will always stay with me. Love, light, healing and peace to all those he has left behind.

- Rebecca Koteen

Dear Emily, I loved Willie a lot. He was one of the most creative humans I've ever met, and the perfect combination of brains and heart. He inspired me to be a better person, and will continue to do so. He believed in me; he supported me without judgement; and taught me about solving problems in out of the box ways. I always enjoyed the times we got to spend together Emily, though few and far between, your whole family is a truly special crew. I'll be watching the service from afar, and thinking of you. Willie's memory will always be a blessing. With love, Jenny

Willie was an amazing person. His leadership and personality was inspiring and highly impactful on my life. When my dad passed away he, Emily, Fred and Victoria were there and treated me as part of their family. Something that I will be forever grateful for. His ability to make everyone feel welcome, valued and put a smile on their face is what made everyone love Willie. Not to mention his unforgettable laugh and just the way he could make any story the most interesting and amazing you'd ever heard. I feel truly privileged to have known Willie and will miss him immensely. Love you friend Dave

Querida familia Gatti, con mucho amor hago llegar mis condolencias a todos por la dolorosa pérdida de uno de mis más queridos amigos y hermano con quien compartí casi a diario muy lindos momentos y travesuras de adolescentes, me ayudó con su gran cariño y apoyo al mudarme a mis 14 años a mi nuevo país Argentina. Willy siempre estará presente en mi corazón y siempre estará en mis rezos al Todopoderoso. Willy fue una persona muy especial y su partida es dolorosa. Que en paz descance.

Willi. Ese primo lejano que me regalo la Vida, pero que siempre estuvo cerca. Tuve la suerte de compartir con vos momentos de la Vida que siempre llevare en mi corazón y mente. Siempre para adelante, sincero y con un corazón inmenso que no hacían ni más ni menos que reflejar la clase de persona que eras. Esa persona que cuando hablaba de Maria Emilia, Fredi y Victoria le brillaban los ojos y se le inflaba el pecho de orgullo por la familia que había conformado. Esa persona que siempre y cada vez que volvía a Argentina a pesar de su corta estadía y compromisos se hacia un lugar para compartir con nosotros y poder disfrutar ese reencuentro. Esa persona que gracias a su generosidad me abrió las puertas de su casa y pude conocer su lugar de residencia y muchos lugares más, que quizá nunca hubiera podido concretar si no fuera por su gesto y el de su familia. Esa persona que en momentos difíciles siempre tenía la palabra justa para acompañarte. Querido Primo, estoy triste por tu partida, pero quiero recordarte de la mejor manera, con esa sonrisa que más de una vez pudimos compartir y disfrutar juntos. VUELA ALTO Y EN PAZ QUERIDO WILLI, SIEMPRE ESTARAS EN MI CORAZON Y MENTE. Abrazo fuerte y a la distancia para Maria Emilio, Fredi y Victoria.

I was shocked to hear of Willie's passing. I am so sorry . Willie so positive and full of life and just so on point competent.. I last spoke called him about 3 years ago, his warmth came through the fiber optic network. I was called to ask a question and as always he had time to talk, laugh and give me an answer and a direction. I worked with closely with Willie at 3form and his positive approach, influence and mentoring and just problem solving smarts and flawless execution made what seemed impossible possible. Willie was not just positive. He handled a very difficult project in CT with an exacting subcontractor. He could handle tough because he was tough and was so through. Willie turned the project around in Stamford, made it work and was friends with the sub Pete who asked for him. Willie was a man among men and some current and ex 3formers will remember toast his life in New York City next Wednesday. Thank You Willie I will miss you and Emilia I am so sorry. We never met but you and family were always woven into Willie's stories

- Rob Healey

To Willy's family and beloved ones my most sincere condolences. It's difficult to explain mine and other of Willy's friends feelings in Argentina. To put it simply, I do not remember phoning so much male friends and crying while sharing lots of good memories of another one. Willy was exceptional among the few who shine out. I always thought he had the three "A's" which are needed to be meaningful in life. Aptitude to have the capacity to change things. Attitude to believe in himself and in that he could change the reality. Action started by oneself to change the world. But to that he added one more quality, a human one, yet one who spoke about his spirit of kindness; and that is his sensibility to understand the needs of others. And when he sensed one, he acted to fulfill those needs. I was surprised one day when after a virtual meeting with ex school-mates, he told me we should start a spiritual virtual meeting group. I had those needs, but doubted others would share. Willy was 100% accurate in his view, feelings and actions again. These few past days I found he had contacted many more about this, before starting a group, which today helps some of us, not only spiritually but sharing our feelings of loss for him passing into the realm of the lord. As always he was more advanced than us, and thus he was chosen to show us an immense example of courage, faith and peace in his new "astral voyage" - as he said-. Peace to him, love, and comfort, to those he loved; be sure he still is with us. To you Willy; only the thought, that your memory and presence, will walk with us, till we find ourselves in the pastures of the shepherd; soothes my pain. See you again, anytime soon Cristian.

- Cristian Miguel Alonso Sisini

To Willie's family, please know that he was so loved and appreciated by the Volunteers in Police Services for Sandy City Police Dept. I represent the group as their secretary and can recall many meetings and events and projects that Willie attended. He was a delightful man and we will miss him dearly.

I'm so sorry for your lose. Send you my best wishes for everyone.
